

HAVE YOUR NEXT FIELD TRIP AT BEAR RIVER RANCH!

Bear River Ranch is home to a children's summer camp with a zoo! Here we have over 300 animals with more than 100 species of animals.! Each of our field trips at the ranch is specially designed to give you the most out of your visit to the ranch. Join us for a field trip that you will never forget!

FIELD TRIP ACTIVITIES

Tour of the **Jungle**. In this area, you will be able to see sloths, lemurs, porcupines, foxes and more up close and personal!

Tour the **Animal Learning Center**. In this building we house several different animals and this includes a tour through the **Small Animal Room, Reptile Room** and **Habitats**. You'll be able to see a variety of animals ranging from hedgehogs to an abateater! a Tour of this building also includes a small animal encounter!

Tour of the **Barn** and **Nursery**. In our barn, you will see animals including goats, emus, zebus, miniature horses, and even a camel! You'll even get a chance to feed some of our pasture animals!

Visit the **Nature Center**- In this room we allow you to see, touch, and learn about various animal furs, skulls, tracks of animals native to this area!

Scavenger Hunt and **Feather Find**- Our birds here at the Ranch drop their feathers so they can grow new ones. Enjoy searching for feathers dropped by the birds and many of nature's other treasures!
